INSTRUCTIONS

- Required. The name must be supplied by the person(s), company or government unit that is responsible Item I for the maintenance of the road(s) to which brine has been applied.
- Include county, township, and actual point of application of brine. A barrel (BBL) equals 42 U.S. gallons. Item II
- Hauler's Name and Registration Number must be listed if a hauler delivered or applied brine. If the county, township, or municipality used its own vehicles to apply brine, a Registration Number is not needed.
- Item IV Supply requested information for each point from which brine was collected and eventually used for surface application.

Additional copies of this form may be attached if necessary.
