RE: Surface application of Brine Resolution- for dust and ice control of private roads and similar surfaces at 5248 Township Road 108, Mt. Gilead, Ohio 43338.

Dear Mr. Butts:

On January 8, 2016, the Division of Oil and Gas Resources Management received a copy of the resolution adopted by the **Morrow County Commissioners** approving your plan for the spreading of brine on the above referenced property. The Division has determined that the plan, as approved, complies with the requirements of O.R.C. chapter 1509 and the Division rules. This plan expires one year (**January 3, 2019**) from the date in which the County Commissioners passed the resolution and must be renewed each year by the County Commissioners to remain in effect.

Enclosed is Form 15: "Surface Application Annual Report". Section 1509.226 (F) of the Ohio Revised Code requires that person who have filed plans for brine application file this report annually with the Division of Oil and Gas Resources Management. Please duplicate the form as needed. This report is due on or before April 15.

If you have any questions regarding this matter, please feel free to contact me at (614) 265-6933.

Sincerely,

A handwritten signature in blue ink that reads "Kenny Brown".

- 1.) The surface application of brine shall be subject to the following standards:
 - A. "Brine" shall mean all saline geological formation water resulting, obtained, or produced in connection with the exploration, drilling, or production of oil or gas.
 - B. Surface application of brine is permitted only for the purposes of dust or ice control.
 - C. Brine shall not be applied:
 - 1. To a water-saturated surface;
 - 2. Directly to vegetation near or adjacent to surfaces being treated;
 - 3. Within twelve feet of structures crossing bodies of water or drainage ditches;
 - 4. Between sundown and sunrise, except for ice control.

2.) Sources of brine: Please see attached list of wells for brine sources

3.) Transporters of brine: Fishburn Services, Inc.
5012 St. Rt. 229
P.O. Box 278
Marengo, Ohio 43334

Registration Certificate Number: UIC-3

4.) Places to which brine will be applied:
To private roads or similar surfaces within the property owned by Campground.

HIDDEN LAKES COMMUNITY ASSN.
P.O. BOX 31

5.) Method, rate, and frequency of application:

- A. The discharge of brine through the spreader bar shall stop when the application stops.
- B. The applicator vehicle shall be moving at least five miles per hour at all times while the brine is being applied.
- C. The maximum spreader bar nozzle opening shall be three-quarters of an inch in diameter.
- D. The maximum uniform application rate of brine shall be three thousand gallons per mile on a twelve foot wide road, or three gallons per sixty square feet on unpaved lots.
- E. The applicator vehicle discharge valve shall be closed between the brine collection point and the specific surfaces that have been approved for brine application.
- F. Any valves that provide for tank drainage other than through the spreader bar shall be closed during the brine application and transport.
- G. The angle of discharge from the applicator vehicle spreader bar shall not be greater than sixty degrees from the perpendicular to the unpaved surface.
- H. Only the last twenty-five percent of an applicator vehicle's contents shall be allowed to have a pressure greater than atmospheric pressure; therefore, the first seventy-five percent of the applicator vehicle's contents shall be discharged under atmospheric pressure.
- I. Frequency of application: *Dependent upon weather conditions, estimated application would be; light to no rainfall surface application once every 10 days, medium rainfall surface application once every two weeks, over-all average application would be twice a month.*

Subject: list of wells for hidden lakes community association brine spreading plan

Hello Cheryl,

I was wondering if I could get a list of wells which will be used for the Hidden lakes community association brine spreading plan for 2018?

The commissioners did not forward the attached list and I talked to Dale Butts and he stated that you were going to send him the list.

Thank you
