INSTRUCTIONS

- Item I Required. The name must be supplied by the person(s), company or government unit that is responsible for the maintenance of the road(s) to which brine has been applied.*
- Item II Include county, township, and actual point of application of brine. A barrel (BBL) equals 42 U.S. gallons.*
- Item III Hauler's Name and Registration Number must be listed if a hauler delivered or applied brine. If the county, township, or municipality used its own vehicles to apply brine, a Registration Number is not needed.*
- Item IV Supply requested information for each point from which brine was collected and eventually used for surface application.*

Additional copies of this form may be attached if necessary.
