Re: Surface Application Annual Reports

Mr. Brown:

I am returning the Surface Application Annual Report Form 15. However, I am not sure why the Richland County Board of Commissioners would be receiving this report to fill out.

I did research our records and found two old resolutions for brine application. November 7, 2000 the Richland County Engineer was authorized to apply liquid brine to roads to assist with ice control. The Richland County Engineer makes their own brine and applies it as needed to all of our 347 miles of roads in the County.

June 17, 2003 the Richland County Fairgrounds asked for permission to apply brine to the horse racetrack. The Fairgrounds has stated they do not currently apply brine to the racetrack and do not believe they ever have.

Please let me know if I need to report anything else.

Sincerely,

Stacey L. Crall, Clerk
Board of County Commissioners
