HB 282 & SB 171

(Last Updated 6/18/21)

The senate will hold opponent testimony on SB 171 next Tuesday, June 22nd, at 4PM in the South Hearing Room. Please start thinking about your testimony. We will need to have the testimony into the Chair's office by 4PM on Monday, June 21st.

Urgent Action: Call your Ohio State Representative to oppose HB 282 and SB 171 today. Tell your representative to VOTE NO on these bills that make #oilandgas waste a commodity. Stop current and future use of toxic radioactive waste on roadways. <https://www.legislature.ohio.gov/legislators/district-maps>
<https://www.legislature.ohio.gov/legislators/house-directory>

☢ Testing of #oilandgas waste by the Ohio Department of Natural Resources reveals Radium 226 & 228 levels as high as 300 times drinking water limits:
